**P**astors, these customized sessions are exclusively designed for the man or woman of God at the helm of the local church. We understand the unique needs of those who are called to the ministry. Prayer plays a vital role in your life as a leader of God's people, as well as in the health of their spiritual growth.

Our theme this year is **"Thy Kingdom Come on Earth"** for a reason. It's time for the Kingdom of God to fully manifest on earth. It's time to trade good ideas for God ideas that go further than the front door of the church building. Your community can literally be transformed when you learn how to develop Kingdom culture within your congregation. This is a priceless opportunity to learn from and interact with dynamic and seasoned leaders like **Pastors Kirbyjon and Suzette Caldwell, Dr. Myles Munroe, Pastor Steve Riggle, Pastor Lillie Ferrell, Pastor Kerry Shook, and Dr. Leonard Sweet**, who are actually seeing the fruit of what these sessions are all about!

## GET READY TO....

- Lead your church into a deeper intimacy with the Father through prayer;
- Prepare and equip your team and congregation to implement Kingdom-sized visions; and

# Pastor Suzette Caldwell

Board Chair and President

Dear Brothers and Sisters in Christ,

On behalf of The Prayer Institute and the Prayer Explosion Conference Team, welcome to the 15th Annual Prayer Explosion Conference! The next “four days of glory” are prepared with the Lord and you in mind. Thank you for responding to His call and to our invitation.

A conference like this comes together with much prayer, fasting, and preparation. Under the theme of “**Thy Kingdom Come on Earth**”, God has assembled a mighty team of chosen men and women to help you grow your faith, expand your vision, and deepen your relationship with Him. Each prayer session, power seminar, and worship service is designed to give God the glory and you the tools to successfully produce His Kingdom here on earth.

We are particularly excited about you joining the Windsor Village Church Family to celebrate the Feast of Tabernacles. Each evening we will celebrate God’s glory, provision, protection, and deliverance through Jesus Christ. We look forward to Him dwelling among us during this glorious night out under the stars. We promise you great fun, food, and music.

You belong in the Kingdom of God and you belong at this conference. I encourage you to open your heart, mind, and arms wide to the supernatural move of the Lord. Put on your Faith hat and expect to receive God’s abundant love, power, and anointing. I, and the rest of the planning team, look forward to serving you.

God bless you!

Pastor Suzette Caldwell

Miracles, Healing, & Deliverance  
Do You Want To Be Healed?

When asked this question, most people immediately think of physical healing. Rarely do we think about emotional healing, but the Miracles, Healing, & Deliverance service covers all aspects of healing both physical, emotional, psychological, and spiritual. Often, people need to be healed and delivered from fear,

low self-esteem, abuse, drug or alcohol addictions, and more. The same source that inflicts people with physical healing is the same source that attacks our minds and spirits; that source is Satan, and he is defeated through the power of prayer.

Remarkable things have happened at the Miracles, Healing, & Deliverance service. Last year, a Pastor’s wife was suffering from Multiple Sclerosis. She could barely walk into the worship service. Praise God, she was prayed

for and God’s healing power flowed through her. She left the service walking on her own and went home able to walk up and down her stairs. To this day, she is still enjoying the blessing of God’s healing.

Others have been healed from life-threatening diseases. Many have been healed from fear. Last year, a teen girl was delivered from satanic music and the desire to dress and act like those who embrace the darkness of the world. The anointing is so strong during these services, that one can’t help but to be healed.

Join us for this life-changing service and bring your friends, neighbors, co-workers, and family who need to experience the healing power of God. You will be blessed by the mighty man of God: **Archbishop Nicholas Duncan-Williams**. You will hear how he was healed by God and is used by God to bless people who need to be healed. Come! Remember, this service IS NOT JUST for physical healing. If you want to be healed, just come. This service is open to the public.

## We will be Camping Out!

Join us this Friday evening for our annual Church Family Campout. This extraordinary Campout is all about faith, family, fellowship, and fun! Celebrating the Feast of Tabernacles, we will camp out on our beautiful grounds right under the stars. If you've never experienced this Biblical Feast, this is your opportunity to celebrate God's appointed time.

The Feast of Tabernacles, as mentioned in Leviticus Chapter 23, commemorates the dwelling of the Israelites in booths or tents during their journey in the wilderness. It is also God's appointed time for believers to celebrate His glory and presence.

So, come on out and pitch your tent for an overnigher you won't soon forget! Don't have a tent? No problem; you can claim your spot underneath our Community Tent. Out-of-town Conference guests will also have the option to rent a tent, hunker down in the Community Tent, or sleep at their hotel.

There will be something for everyone to enjoy. The night will be filled with live entertainment, a bar-be-que and pastry cook-off, games, and much more. There will be activities for all ages. You are invited to sing, dance, play, and worship the Lord in an atmosphere of genuine joy and thanksgiving.

# Reaching Out to the Next Generation

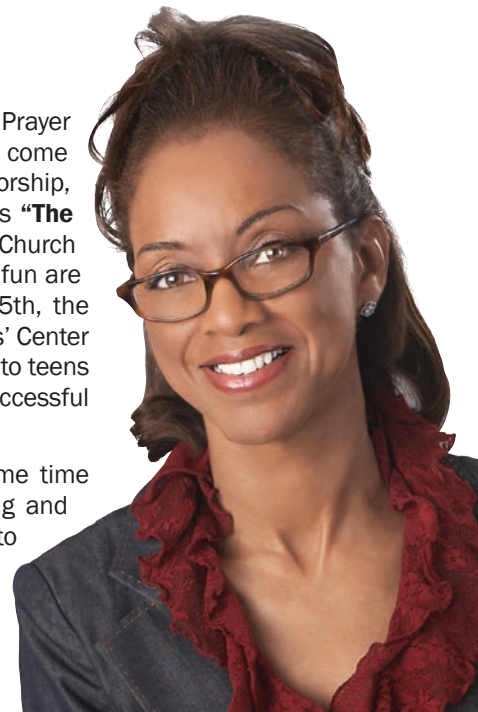

## YOUTH PRAYER EXPLOSION

Saturday, October 15, 2011

The Youth Prayer Explosion is always an exciting part of Prayer Explosion. The youth (5th grade through 12th grade) come together for a powerful, anointed time of praise, worship, and prayer. This year will be exceptional! The theme is **"The Take Over."** On Friday night, youth participate in the Church Family Campout festivities. Special music, games, and fun are designed especially for them. On Saturday, October 15th, the youth attend special seminars at The Kingdom Builders' Center in "Hangtime". Evangelist Joyce Rodgers, ministers to teens on how to live in God's Kingdom on earth as successful Godly citizens.

Youth Prayer Explosion provides an awesome time with God for teens - with dancing, singing and great fellowship! Encourage your teens to invite their friends.

Evangelist Joyce Rodgers

The Prayer Institute has extended its reach to teach the next generation how to pray more effectively. With pliable hearts, our children and teens have been open to pray and learn more about prayer.

On Sunday, June 12, 2011, the Spirit of the Lord asked Pastors Kirbyjon and Suzette Caldwell to call for young men to come forth who would help to pray for our communities and nation. Many young men came forth that day. Known as David's Crew, these young men (ages 9 - 18 yrs.) are being trained how to pray in order to advance God's Kingdom on earth. This generation will "taking the world by prayer!"

Under the leadership of Ms. Leona Ellis, director of our Children's Ministry, young children are being taught how to pray using the Model Prayer. They are learning their spiritual skills through public praying, scripture memorization and in-class learning. As the children continue to develop their prayer life, we will see the results in our schools and communities.
