Jerome,

Do you have time in next couple of days to put together a house ad for Houston Woman Magazine? I want to run it in the 50 Women of Influence issue, as well as often in coming months in other places.

The magazine is now 14 years old - launched March 2004 - and I want the anniversary to be the focus on the ad. Something professional looking - but also celebratory!

I would love to find an image of professionally dressed women jumping up (like they are celebrating), but I couldn't locate one.

Copy should include this copy (not as the major focus, but somewhere in the design)

Informing, Inspiring and Connecting Successful Women
Since 2014

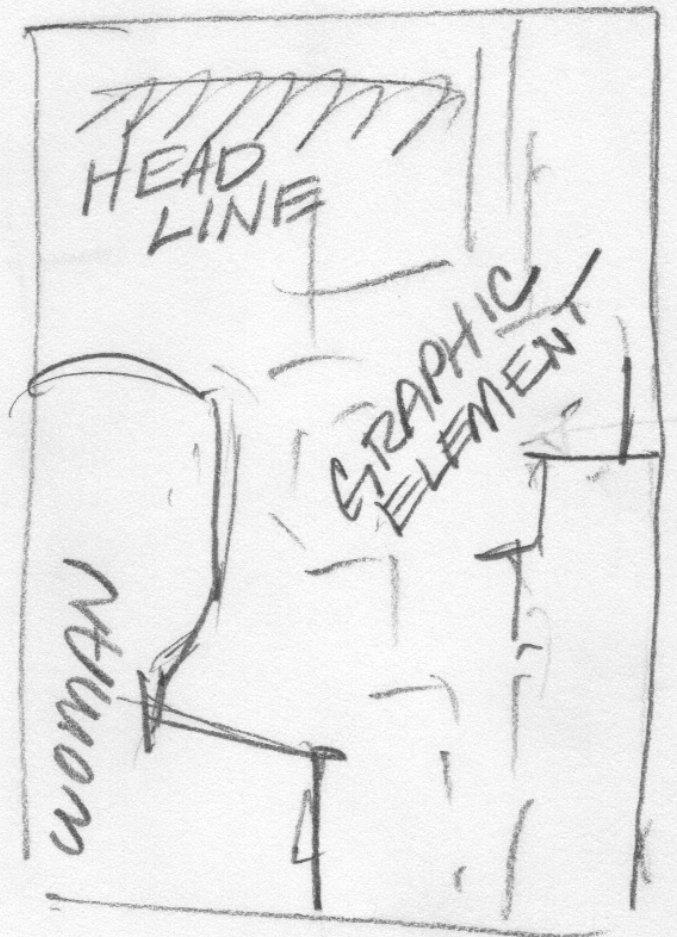

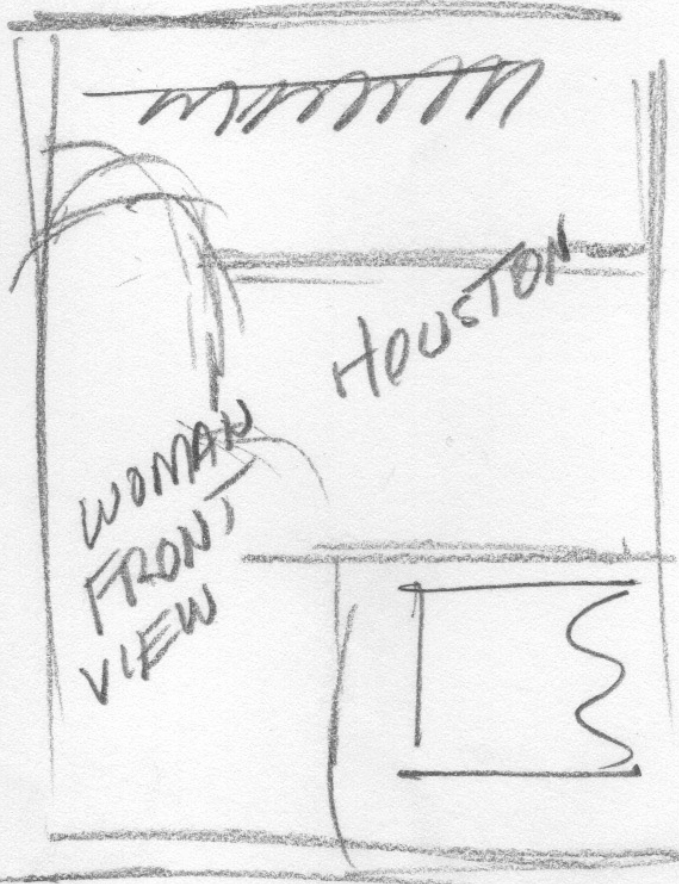

Let me know if your schedule will permit you to work on this soon. I would need it finalized by Thursday (ideally).
