Welcome

Welcome to the HMSDC 40th Anniversary celebration!

Tonight we remember and honor the companies and the people who founded and built HMSDC over the past 40 years. Their commitment, talent and energies have made HMSDC a source of pride and accomplishment. Their examples inspire us.

Together we have made a difference in our businesses and in our communities. Tonight we celebrate the traits of HMSDC, our MBEs and our Corporate Members that serve as the framework for our important work together.

So enjoy this break from the rigors of our normal day to celebrate being part of an organization and group of business people who make a difference. In fact, it is you we honor tonight. Thank you for coming to celebrate with us!

Happy Holidays!
