*A Global Prayer Initiative Sponsored by The Prayer Institute*

Board Chair & CEO

## What is The Prayer Institute?

The Prayer Institute, founded by Pastor Kirbyjon H. Caldwell in 1995, is a community-based outreach organization that is dedicated to prayer, and education on prayer. The Prayer Institute serves as a spiritual outlet to communicate the plans and strategies of God and destroy the plans and strategies of Satan in communities throughout the world.

## How can I benefit from The Prayer Institute?

Through prayer and the power of God, you, your family, your community, or your ministry can enjoy the same blessings that The Prayer Institute has experienced. Nearly 20 years ago, when Pastors Kirbyjon and Suzette Caldwell were simply looking for a small piece of land to build a place to pray, the Spirit of God led them to far more land than The Prayer Institute thought they needed. Precise prayers were written using The Model Prayer

as a guide by a small group of believers who prayed for God's perfect will to be done. As a result, 234 acres of land were purchased and developed. Not only does God want to touch the life of the individual, He wants to change a community as well. Today, from those prayers, a community has been developed that consists of:

- A 462-home subdivision called Corinthian Pointe;
- A commercial park that includes McDonalds, Walgreens, CVS, AutoZone, Taco Bell, Texas Children's Pediatrics Associates, TSO Eye Center, ABC Dental, Jack In The Box; and
- A YMCA, elementary school, family life center and a senior independent living community. Visit our website to read the entire story.

## Because of the ongoing work of The Prayer Institute team:

- Thousands of testimonies of healing and miracles have been reported from people who have experienced The Prayer Institute and the teachings on effective prayers.
- Marriages and families have been restored because of strategic scriptural prayers based on The Model Prayer.
- Corporate America employees have been taught about prayer and how to pray for the success of their organizations and employers. Lunch-time Brown Bag Prayer Classes are available upon request.

## What is The ONE Project?

The ONE Project is a global prayer initiative sponsored by The Prayer Institute. Our assignment is to unify Christians worldwide in prayer for the purpose of seeing God's will implemented on earth as it is already done in heaven.

## What is our mission?

It is our mission to empower believers to pray as ONE body for the purpose of accomplishing God's plans for humanity. United, we pray from a Kingdom perspective, from God's point of view, not our own point of view.

## How do we pray as ONE?

The ONE Project is an online Community of Faith that partners in prayer via social media, The Prayer Institute website and email. Twice a month, The ONE Project distributes written prayers to our ONE Partners in Prayer. Prayers are customized to fit the professions, vocations and/or experience of our partners in prayer. This procedure ensures that partners in prayer are praying strategically and accurately for God's plans for our world. For example, The ONE Project may compose a prayer concerning global oil prices. Based on areas of expertise, this prayer would be sent to persons who work in business/economics. For a prayer concerning babies born healthy worldwide, the prayer would be sent to partners in prayer in the areas of Medicine/Healthcare and Science/Technology.

## Who are the ONE Partners in Prayer?

The ONE Project family consists of Christian churches and organizations, doctors, educators, scientists, business leaders, government officials, health care professionals, laborers, service providers, engineers, electricians, entrepreneurs, at-home parents, clergy, artists and students. In other words, every believer who is willing to engage in strategic, productive prayer is welcome!

## How do I connect to The ONE Project Community?

Go to [prayerinstitute.com](http://prayerinstitute.com) and click on The ONE Project banner to access the link to our Partner in Prayer registration form. There is no fee to join. Once your registration has been processed, you will receive a ONE Project Welcome Pack containing instructions on how to get started and your first prayer to pray. Thank you, in advance, for becoming a part of this prayer revolution. Together, we are *"taking the world by prayer!"*

## "Exclusively for You"

Have you ever faced a day in the office when you felt like throwing up your hands and saying, "God help me!"? This reaction could be due to a major decision awaiting your response, meeting a project deadline, addressing personnel issues, hiring new staff or dealing with difficult clients or supervisors.

With great respect for the corporate and business community, The Prayer Institute offers a program called The Corporate Connection that has been established to pray for you, your business or your organization. The Corporate Connection offers three services.

### 1 — Private Prayer

At your request, The Prayer Institute will send two team members to your office to pray for you privately. This closed meeting will be done within your designated time allotment. The impact can be tremendous. Prior to beginning, we will ask you for any specific prayer requests. Upon completion of our prayer session, we will forward to you a written prayer that you and/or your staff can continue to pray. The Prayer Institute has written prayers for many organizations with resounding results.

### 2 — Event Prayer

The Prayer Institute team will come to your public event or private conference to pray for your leadership team, event organizers, volunteers and the event attendees.

We are available to pray for your team during the planning and implementation process. Let us partner with you for the success of your event.

### 3 — Bible Study

The Prayer Institute will host 45-minute Bible studies at your organization on a weekly or monthly basis. Statistics have shown that corporate Bible studies have proven to be very successful when conducted properly and bring about greater productivity in addition to establishing peace and harmony in the workplace.

As Christians, we have been mandated by God to pray. We consider it our honor to pray for you and with you. There is no fee for ANY Corporate Connection service. We are *"taking the world by prayer!"* The Prayer Institute understands and has experienced the power of prayer, and we want to pray for your professional success as well as your business and/or organization's success.

Please email or call us to allow us to serve you in this capacity. Your confidential email can be received at [info@prayerinstitute.com](mailto:info@prayerinstitute.com) or call us at 713-726-2524.
