Would you do it?

# You Can... Prayer is the Answer!

Now this is the confidence that we have in Him: That is we ask anything according to His will, He hears us, and if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him.

## What is The Prayer Institute?

The Prayer Institute, founded by Pastor Kirbyton H. Caldwell in 1995, is a community-based outreach organization that is dedicated to prayer, intercession, and education on prayer. The Prayer Institute serves as a spiritual outlet to communicate the plans and strategies of God and destroy the plans and strategies of satan in communities throughout the world.

### Our VISION *"Taking the World by Prayer!"*

Our PURPOSE is to pray effective, efficacious prayers that will produce God's plans on earth and to build an army of praying believers who will:

- Position themselves as watchmen for our world;
- Establish the Kingdom of God on earth as He has purposed it in Heaven; and
- Destroy the assignments of the devil.

Our GOAL is to teach believers how to pray more effectively so that God's Kingdom will continue to expand on earth and to empower believers to do the works of Jesus.

**Pastor Suzette Caldwell, Board Chair & President**

## How can I benefit from the Prayer Institute?

Through prayer and the power of God, you, your family, your community, or your ministry can enjoy the same blessings that The Prayer Institute has experienced. More than 10 years ago, when Pastors Kirbyton and Suzette Caldwell were simply looking for a small piece of land to build a place to pray, the Spirit of God led them to far more land than The Prayer Institute thought they needed. Prayers were written using The Model Prayer as a guide by a small group of believers who prayed for God's perfect will to be done. As a result, 234 acres of land were purchased and developed. Not only does God want to touch the life of the individual, He wants to change a community as well. Today, from those prayers, a community has been developed that consists of:

- A 462-home subdivision called Corinthian Pointe;
- A commercial park that includes McDonalds, Walgreens, CVS, AutoZone, Taco Bell, Texas Children's Pediatrics Associates, TSO Eye Center, ABC Dental, Divine Closet; and
- A YMCA, Elementary School, Family Life Center and a Senior Independent Living Community. Visit our website to read the entire story.

When Pastors, businessmen, or laymen ask, "What is the secret to the many accomplishments God has blessed The Prayer Institute and the community with?" The answer is: Prayer! We can teach you how to pray prayers that will implement God's vision for your church, business, community, and city.

### BECAUSE OF THE ONGOING WORK OF THE PRAYER INSTITUTE TEAM:

- Thousands of testimonies of healing and miracles have been reported from people who have experienced The Prayer Institute and the teachings on effective prayers.
- Marriages and families have been restored because of strategic scriptural prayers based on The Model Prayer.
- Corporate America employees have been taught about prayer and how to pray for the success of their organizations and employers. Lunch-time Brown Bag Prayer Classes are available upon request.
