SPR December Full Page Ad

# SPOR Society for Pediatric Research

## OUR VISION

Connecting, collaborating, and catalyzing the conduct of pediatric research

## OUR MISSION

Creating a network of multi-disciplinary researchers to improve child health

Specifically SPR works to:

**CONNECT:**

Facilitate active communications among and between researchers

**COLLABORATE:**

Promote research collaborations through mentoring and knowledge sharing

**CATALYZE RESEARCH:**

Advocate for funding and policies supportive of research

For more information on award details, visit [www.societyforpediatricresearch.org](http://www.societyforpediatricresearch.org)
