**To:** Glenda Minshew <[glenda.minshev@aps-spr.org](mailto:glenda.minshev@aps-spr.org)>; Everitte Thompson ([everitte.thompson@aps-spr.org](mailto:everitte.thompson@aps-spr.org)) <[everitte.thompson@aps-spr.org](mailto:everitte.thompson@aps-spr.org)>

**Subject:** RE: SPR Ad for Pediatric Research Journal - Submission Deadline Date - August 16

Hi Glenda & Everitte,

The SPR general award text is:

The Society for Pediatric Research is pleased to announce our awards program that fosters and honors pediatric investigators in all career stages. We encourage you to consider nomination of outstanding candidates to encourage or promote their scientific accomplishments.

Please consider making nominations and circulate this announcement to your colleagues. This is an excellent opportunity to encourage and recognize individuals for exceptional research achievements in pediatrics as well as support the development of the rising stars.

It would be nice if the ad could also include SPR's mission or the award announcement to include the mission.

Let me know if you need anything else in order to get Jerome started on this project.

“Let Your Light So Shine Among Men...”

**NOMINATE A COLLEAGUE TODAY!**

The Society for Pediatric Research is pleased to announce our awards program that fosters and honors pediatric investigators in all career stages. We encourage you to consider nomination of outstanding candidates to encourage or promote their scientific accomplishments.

Please consider making nominations and circulate this announcement to your colleagues. This is an excellent opportunity to encourage and recognize individuals

for exceptional research achievements in pediatrics as well as support the development of the rising stars.

The mission of the Society for Pediatric Research is creating a network of multidisciplinary researchers to improve child health. This is accomplished by providing a forum for presentation and dissemination of innovative ideas and research at the Pediatric Academic Societies (PAS) Meeting.
